

101

Curriculum Mapping

Curriculum Maps exist within a Program, and is the location where relationships built between Accreditor, Institution, College, Department and/or Program Learning Outcomes and Courses/Course Learning Outcomes in HELIO. The Curriculum Map exists to show alignment between outcomes

In HelioCampus mapping can be viewed in one of two ways:

1. Mapping by course
2. Mapping by outcome

Mapping by Course

This is the screen that will show all PLOs mapped to specific courses.

Once mapping begins the 0% will change to show the progress of the mapping process.

The screenshot displays the 'Mapping By Course' interface. The sidebar on the left contains the following sections:

- PROGRAM INFORMATION
 - Details
 - Settings
 - Outcome Spaces
- OUTCOMES AND COURSES
 - Student Outcomes
 - Educational Experience
- CURRICULUM
 - Mapping By Course
 - Mapping by Outcome
- ASSESSMENTS
 - Assessment Cycle
 - Assessments

The main content area shows the following details:

- Program: Mathematics (Program-40)
- Created: 6/17/2023 2:51:48 PM EDT
- Curriculum Mapping by Course
- Progress: 11% Mapped
- Course List: EDU 465, C162, C163, C164, C165

Mapping by Course continued

Available Outcomes

INTRODUCTION REINFORCEMENT EMPHASIS

Program Outcomes

Program Outcome	Educational Experience	Mapped Outcomes
BA_MATH_01 Mathematical Thinking Develop mathematical thinking, progressing from a procedural/computational understanding of mathematics to a broad understanding encompassing logical reasoning and formal proof.	EDU 465 C162 C163 C164 C165	BA_MATH_01 BA_MATH_02
BA_MATH_02 Communicate Mathematics Communicate mathematical ideas in written form with precision, clarity, and organization.	MTH 101 C63	
BA_MATH_03 Computational Techniques Apply mathematical or computational techniques to areas outside of mathematics. Graduates will evaluate mathematical information from data, test hypotheses and assumptions, and formulate logical conclusions using mathematical analysis.	C64 C65 C66	
BA_MATH_04	MTH 219 C146	

1. PLOs will appear on the left hand side. To begin mapping, click on
