Creating an Expense Report Demonstration

Expense Reports - Tips & Reminders

- Expense reports are only done if the traveler (Stockton employee/faculty) is receiving a reimbursement. Travel reimbursements pertaining to students & non-employees are done as direct pays.
- If there are P-card transactions related to your trip, check your E-wallet to see if they are there.

- If you do not see the Pcard

Tips & Reminders...continued

- You should always have a Pre-Approval to reference when completing an Expense Report.
- Import the Pre-Approval data only if you are referring to a Pre-Approval that is NOT a blanket. The Import button is on the top of your Expense Report header.

- If you are referring to a blanket, complete the report and then when you are ready to submit, click the Pre-Approval button to attach your blanket Pre-Approval.

Tips & Reminders...continued

- If you have imported your Pre-Approval data, any line item with , you will need to edit the line item to validate the data.
- Any line item with  will require you to put in a response to the message in order to submit your report.
- Receipts should be attached to each expense line item if required. You can upload an attachment or add from your Receipt Gallery if images were mailed to receipt@chromefile.com
- Checking the box next to "Personal Charge" means the traveler will not get reimbursed for the expense.
- When inputting Personal Vehicle Mileage, do not type in an amount in the "Spent" field. Click on the "Map" button in the "Miles" field to bring up Googlemaps.

Miles

- Input your trip information on Googlemaps, click on "Save Trip" and the system will calculate the amount for you. The map showing your trip will also automatically attach to your Personal vehicle Mileage line item.

Attaching Pcard Transactions

- Reconciled and closed Pcard transactions will be housed in your eWallet under *Personal Account*.
- Click on the box above the amount of the transaction and then click on "Add" to add as a new expense line item.

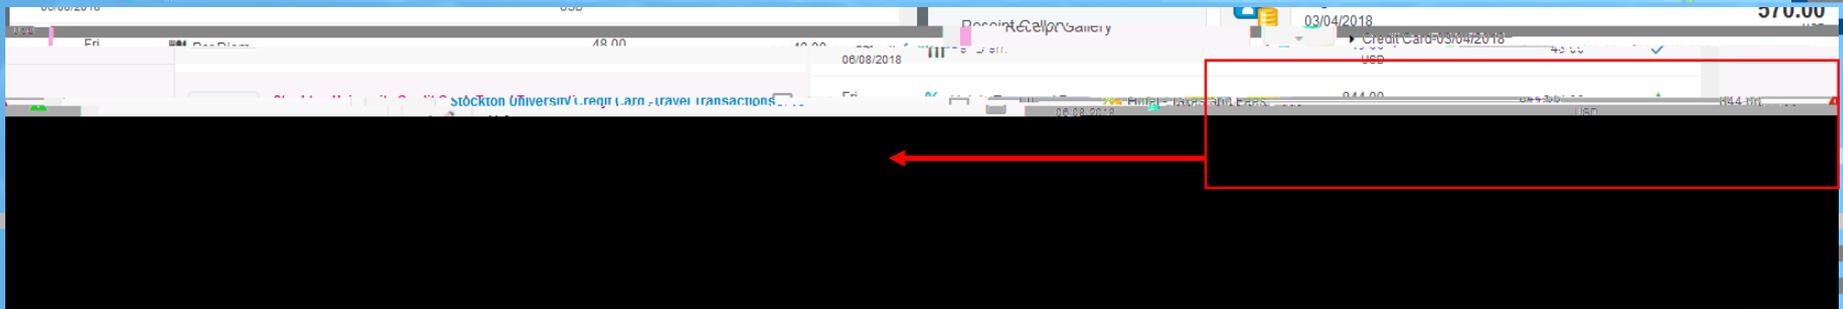

The screenshot displays the eWallet interface. At the top right, there are two buttons: a grey 'Delete' button and a teal 'Add' button. A red arrow points to the 'Add' button. Below the buttons, there is a list of transactions. One transaction is highlighted with a red box and a red arrow pointing to it. The transaction details are as follows:

Account	Amount	Description	Date	Category
Stockton University Credit Card - Travel Transactions	264.00	Hotel	03/01/2018	Hotel
Personal Account	173.22	Stockton University Credit Card - Travel Transactions	03/01/2018	Other

The transaction amount '173.22' is highlighted with a dashed green box. A red arrow points to the box above this amount. The 'Add' button is also highlighted with a red arrow.

Attaching Pcard Transactions...continued

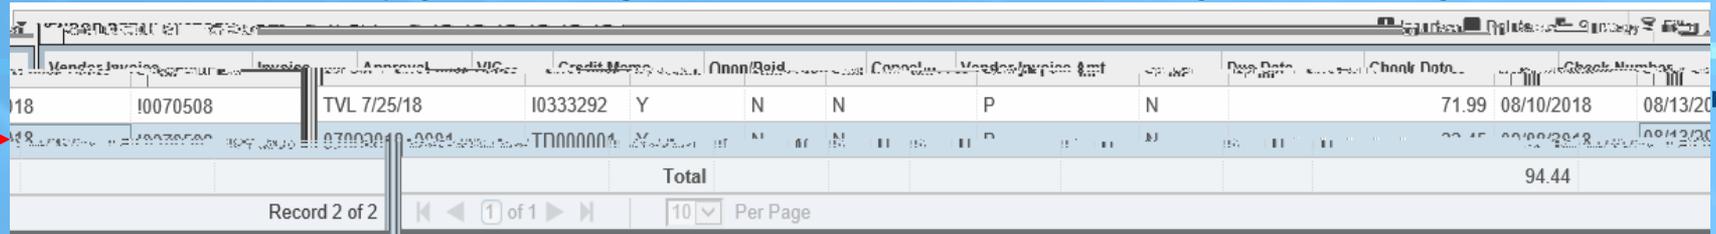

- To add a Pcard transaction to an existing line item, click on the transaction in your Personal Account and while holding down on your mouse, drag the transaction over to the appropriate line item on your report and release from the mouse.

- If the Pcard transaction has been reconciled and approved by your BUM, but you do not see it in your Personal Account, when you are in the expense line item, click on the “University Credit Card” box and type in the TXN Number.

Submitting Your Expense Report

- If a Proxy completes an expense report on behalf of the traveler, the traveler will receive an email from Chrome River to approve the report first. It will then go to the BUM and then Disbursement Services.
- The approved expense report will feed over into Banner as a direct pay with the following information:
 - Document Number: Will start with a (travel reimbursement)
 - Vendor Invoice Field: First date of travel and the last 4 numbers of the document
 - Commodity Description: Report Name and the Expense Report ID Number created by CR
- To view the direct pay in Banner, go to FAIVNDH (Vendor Detail History) and search by vendor.
